TV/telephone hook-up
Twin 30 amp electrical outlets with 50' cords for shore power
Horn, 12V
Lighting fixtures, 12V
Navigation lights, 12V
Batteries: 6V deep cycle (house) (4), 12V, 105 amp (engine start) (2)
Battery switches (4)
Battery charger/converter, 40 amp
Battery paralleling system
Ground fault circuit interruption protection all 110V outlets
CO monitoring system, 12V
Sacrificial anode: with electrical bonding system

COMPONENTS AND EQUIPMENT

Freshwater cooling
Rule® bilge pumps: (4) 2000 gph, manual and automatic
Water system: (12V) pressure demand (hot/cold), city water inlet
Water heater: 11 gal
Macerator, 12V
Waste holding tank, w/deck pump outfitting (1)
D.O.C.™ (Docking On Command)

MECHANICAL

Alarm: engine high temperature/ low oil pressure
Blower for forced-air ventilation
Steering: Teleflex™, hydraulic
Trim tabs: Bennett, stainless-steel electric/hydraulic
Fuel shutoff solenoids
Internal sea strainers
Racor (fuel filter – Diesel Engine Only)

UNDERWATER GEAR

Propeller shafts: stainless-steel
PSS (packless sealing system) by PYI
Rudders and struts: 421 manganese bronze w/synthetic rubber composite bearings
Through-hulls below water: 421 manganese bronze w/shutoff seacocks

ENGINE ROOM

Salon floor access panels
Structural engine mounting system through-bolted to structural stringer system
Overhead lighting
Access ladder
Acoustical and thermal insulation
Internal sea strainers

GENERATORS

Kohler® 10.0kW gas (10E only available without sound shield)
Onan® electronic 9.0kW diesel (11.5e-QD w/sound shield)

Optional Equipment

ENGINES

Base boat: T 8.1 L S MerCruiser® Horizon (T-370 hp)
8.1 L S HO Horizon Mercury® inboards 420 hp
330 Cummins® MerCruiser® diesel
370 Cummins MerCruiser diesel

GENERATORS

Onan® electronic 11.5kW diesel (11.5e-QD w/sound shield)

BILGE AND ENGINE ACCESSORIES

Engine oil change system and fuel transfer pump (diesel engines only)
Electronic controls w/electric engine synchronizer – bridge
Electronic controls w/electronic engine synchronizer for lower helm
Lower helm

Information contained within this publication is believed to be correct at time of printing. Note: Not all accessories shown in pictures or described are standard equipment or even available as options. Options and features are subject to change without notice. Not all model year boats may contain all the features or meet the specifications described herein. Confirm availability of all the accessories and equipment with an authorized Meridian dealer prior to purchase.

Meridian is a subsidiary of Brunswick Boat Group Inc. © BFBC Inc. Printed in U.S.A.

A Meridian exclusive, standard on every boat, Docking on Command™ is a single control that integrates bow and stern thrusters that can be operated simultaneously or independently in the same direction or opposite directions. With a few minutes of practice, you'll be able to tuck your bow into a slip, turn on your own length or even sideways with complete control and confidence.
