

390 Sundancer®

2004

Designed to get noticed, this completely new 390 Sundancer features elegance at every turn. A sleek, low-profile helm plus glove-soft cockpit seating makes this newest member of the Sundancer family an ideal place to spend a weekend of fun. Below, the gorgeously appointed salon includes a fully equipped entertainment center, beautiful wood crafted galley and separate conversation area that converts to a bed for overnight guests. Salon access to the separate head compartment ensures privacy for the master stateroom.

Fully equipped with the most advanced marine electronics available, this newly configured helm puts everything the captain needs within easy reach. Custom Euro-style seating offers flip-up thigh-rise bolster and heavy-duty pedestal with pneumatic adjustment.

Entertaining is easy in this graciously appointed cockpit seating area. Enjoy a snack, or step out back to the generous swim platform, which features concealed, stainless steel swim ladder.

This newly styled refreshment center includes icemaker, carry-on cooler and wet bar with solid-surface top. There's also an elegantly curved, stainless steel handrail and plenty of storage underneath.

This fully equipped galley includes microwave oven, two-burner stove, under-counter refrigerator and separate freezer, coffeemaker, power vent, molded-in sink with Grohe® faucet, and lots of custom crafted storage.

The forward stateroom includes a full-size bed with innerspring mattress, translucent deck-vent hatch with sky screen cover, and plenty of storage. A 13" TV/DVD player has also been added.

This quiet conversation area converts to a mid-stateroom with privacy curtain and hanging locker. Starboard cabinets provide lots of extra storage.
